

REMARKS

The Specification.

Applicants have conducted an audit of research used to support the above-identified patent application. They have determined that additional government grants should be identified in the section entitled Statement as to Rights to Inventions Made Under Federally Sponsored Research and Development.

The current amendment merely updates the government support disclosure and introduces no new matter. Applicants respectfully request entry of this amendment to the specification.

CONCLUSION

If the Office believes additional issues exist with regard to this requested amendment to the specification, Applicants request the Examiner contact the undersigned at (510) 769-3510.
